Education Sheet

What is it?
Our must-have Bare Favorites present an ultra-natural look all on their own or add the perfect polish to your everyday makeup – keeping it simple and always real.

Together these purse-sized bareMinerals bestow a lit-from-within glow to your complexion, Provide an oil-absorbing, translucent finishing touch and create naturally fuller, voluptuous lips to perfectly emphasize your natural beauty.

bareMinerals Bare Favorites Details:
- Launches October 2008 as a Sephora Inside JCPenny exclusive

Features and Benefits:
4-piece bareMinerals Bare Favorites – Try Me Color Kit collection contains:
- **bareMinerals Mineral Veil -** Mineral Veil provides the ultimate translucent finishing touch to your makeup, infusing skin with softness and light. Buff on to gently absorb oil and minimize the appearance of fine lines and pores. Versatile enough for all skin tones.
- **bareMinerals Pure Radiance All-Over Face Color** *(pure splurge of peach luster)* - Pure Radiance brings a fresh and luminous glow to the whole complexion that looks perfectly pure with an angelic-like innocence. It's a pure splurge of peach luster for the look of a newborn baby's skin.
- **Mini Dolly Buxom Big & Healthy Lip Polish** - Our pout-perfecting Buxom naturally creates the look of fuller, more voluptuous lips. Infused with 100% pure bareMinerals, it gives a luminous shine with no sticky or tacky feeling. Tingly, cooling sensation reminds you that lips are getting an immediate increase in fullness.
- **Mini Flawless Application Face Brush -** The natural, soft-tapered bristles of this brush are designed to provide light-to-medium coverage for a broad range of easy, professional-looking applications with bareMinerals SPF 15 Foundation, All-Over Face Color, Blush and Mineral Veil.
